

Shalom, partners and friends! I'm so excited to be here! What an exciting time. Another huge week at the House of David. The week started out with a phone call from Israel. We've been working for about a year and a half to get an "Amoutah", which is a non-profit, and the House of David is now officially in Israel an Israeli non-profit organization. So, we give praise to the Lord! This going to open many doors for us to be able to bring finances and goods and services into Israel at a level we have never done before. We've always been effective, but this going to enhance what we can do in Israel. We also had Paul Wilbur here Tuesday night. It wasn't really for a service, he was just visiting. But during the service the Lord brought a powerful word. Paul got up and started to minister in music, and literally led the congregation into 53 minutes of complete silence. You literally could have heard a pin drop. In the midst of that silence, people were healed, people were delivered, revelation. God spoke life-changing words into people's lives. It was an absolute powerful time! Paul said that this was only the second time that this has happened in his ministry, and the last place it happened in the church doubled shortly afterward, and revival is still going on there. We're believing and receiving that here tonight at House of David. We believe that House of David is called to be a Gideon Army. We're about a 150 to 200 people here in a small town, and we're believing for three hundred to bring a foundation. But we need you at Streaming Faith, we need you as partners to be able to join in and help walk through these doors of opportunity that keep coming from the blessings of God.

Also we were in the studio down at TBN in Tulsa. We had rented it for one day, and we did over four hours of teaching with Pastor Tim Alsbaugh and Paul Wilbur on the Passover, doing the Passover post-production. This product should be coming out very soon. It's going to be excellent. We've got a full stream of the Passover without interruption, but we are also going to have it with sidebars so that you can sit down and we are going to teach even deeper on all the elements of Passover, all the signs, and wonders, and miracles that were there. It was a powerful time. We also did a teaching on Tallits and Shofars, and many things that you have questions of. It was just some of the most anointed teaching, and the most anointed time, and it's coming to you and it will be here by the fall. It will be a powerful product.

Also we are almost finished editing our Shavout, our Pentecost service. House of David is editing it ourselves. It's beautifully done. Paul Fogg, our webmaster, is doing a fantastic job with that product, and we hope to have that available to you hopefully within the next thirty days. It is powerful to see the signs and wonders and the word that this is the Shavout of the second chance. It's powerful, and you'll need to bring family and friends over to watch it and relive, because that blessing is still there. You'll be able to order that product soon.

Also, Channel 47, you know we made a commitment and we asked you if you would help support us. Channel 47 in Tulsa reaches a market of over 600,000, and we have a Sunday slot between 11 and 12. By faith we've made the commitment, next week we have to sign contracts, and by the end of this month we need to make two months payments. It's \$586.00 a show, that's \$2,738.38 a month. So roughly we need a little over \$5,000.00. Would you pray about helping us to bring this word into Tulsa. Now, you may say why Tulsa? The Bible Belt needs the message of the Jew and Gentile covenant restoration One New Man, because when it starts here it can go to these huge faith ministries and it can shake the world with us. We need their help, but we need your help to help us with this. As we were by faith sowing this seed, we met with Pastor Reza Safa and Nejat TV TBN. This is the TBN station that plays in Iran. Millions of souls are coming to the Lord there. It's powerful what's happening with Pastor Reza, and we met with him this week. And because we, by faith, have already sown the need, you know what's happened child of God? What's happened is that they are offering us one hour, one hour of free broadcasting every week, which is equivalent to the same cost of what we're purchasing together as partners, sowing into Tulsa. Now TBN is giving us a voice as a Jewish believer into Iran, to be able to bring out what the scriptures say about us, as Jews, in the land of Israel. It's going to be powerful! It's going to be exciting! It's cutting edge! Please help us, if you can. Our first

show that we are going to tape, next week we are going to be down taping...boy the Lord is blessing us, and I can't think of a better way to start of...Dr. T.L. Osborn...he doesn't like to do television, but he has made a promise to Reza and to myself, we're going to interview him for 2 hours. He is going to give us testimony of how he and Daisy were able to overcome adversities, and divisions, and schisms with signs and wonders, and preaching the Gospel of Jesus and the love of God that can overcome all things. All these years of experience, he's going to be sharing it, pouring it into Pastor Reza and I, and speaking a word into Iran of hope and love and power. I think, child of God, that this is the most powerful tool to battle terrorism is to bring this type of anointing.

Now tonight were at House of David, it is Friday night and the last Shabbat of the 40-day fast. And tonight what we are going to do is the sign a Divorce Decree. If you would like a copy of the Divorce Decree that was written by the Oklahoma Concert of Prayer, that apostolic network actually produced a Divorce Decree, divorcing the spirit of baal and we are actually going to sign it, and then our couples...d you might want to order this. You may want to go onto the webpage or give us a call on our 800 number and order this video. Take your home group or your Wednesday night, take your church through this, where they will literally...we will send you the Divorce Decree...an attorney for Dr. Jerry Mash wrote up this decree. You can sign it, and then go up under the chupah, just like what we're doing. Reproduce it. God honors these things. These are steps of faith. Then we're going to remarry Yeshua. We're going to come up under the chupah, we're going to make a fresh declaration and proclamation, and I believe that there are going to be blessings tonight this Shabbat Shalom like nothing else. You're going to want to order this video. Please tuck in a love gift...any size, I don't care, small or large. We'll use it to pay for the airtime. Let us send you a copy of tonight's service. We have over 50 people from House of David going to Nashville for 07-07-07 at The Call. They're going to be there powerfully. As they are doing that, we are going to be here doing this prophetic work. Child of God, it's anew day, and you need to be a part of it. The scripture says My people perish for lack of knowledge, but through this webpage, you're ordering these videos and CDs, you can be informed, right on the cutting edge.

Also, I want to be able to pray for you right now. So, let's agree: Father, I lift up my partners, I lift up my friends, I lift up this Mishpocha, I lift up my family. You've called us together for such a time as this. Lord, I ask that You bring in all the finances that each person needs for their home, for their health, for their prosperity. Father, everything they need, Lord we send Your Word and send healing and deliverance. For those that need a fresh baptism of the Holy Spirit, receive it now, in Yeshua's name. For those who need healing, receive it now in Yeshua's name. For those who need a breakthrough for finances, receive it now in Yeshua's name. God bless you, we love you! Until next Friday, remember, pray for the peace of Jerusalem. May they prosper who love you. May you have peace in your palaces as you sow your prayers. God bless you, we'll see you next week. Shabbat Shalom.
