

Transcript for Video Status Report June 15, 2007

Praise the Lord and shalom from Fairland Oklahoma. Hi, my name is Curt Landry, Founder and President of House of David Ministries. We're doing something new here and you'll be receiving this email on a regular basis. It's a behind the scenes, bringing some news to you about what's happening here, at House of David. My wife Christie and I have just returned in the last two weeks we have been in Montreal, ca where we were up there with Jewish believers and non-Jewish believers celebrating Yeshua seeing signs wonders and healings and a major outpouring. We were there with Sid Roth from "It's Supernatural" and Paul Wilbur from Paul Wilbur Ministries leading the praise and worship. We had a powerful time in Canada and what they are telling us is that it was a real breakthrough and so we thank you for your support for that. We went from there coming back to House of David watching the anointing from Montreal coming into the House building and that's what is so wonderful about you sending us because as you send us out the anointing grows, we learn, we get more wisdom, knowledge and understanding from God and it comes back into the House of David, and your part of the House of David, it's coming into you as you subscribe and watch us on streaming faith and watch us on DVDs and listen to us on CDs. We really have a revelatory anointing being poured out from Heaven to Earth right now and we thank the Lord for it and give Him all the praise. We went from there up to Seattle, Washington where it was interesting that six months ago we were invited by the Elijah List in Albany, OR, that's www.elijahlist.com. The Elijah List with Steve Shultz is a wonderful way to stay in tune with the prophetic voices in the world today. And six months ago they asked us to come on June 6th none of us thinking about the significance of June 6th. It was a powerful time. We literally had a meltdown. We went there to do just one 30 minute program and we ended up doing a 55 minute, 1 hour special that is going to be carried on Christian television, so we will tell you soon where it is going to be. But it's a powerful word because it coming for Jews and Gentiles to let us know that on this forty year anniversary since Jerusalem has been brought under Israeli control, that the judgment that has come upon Israel, which many believe that there was a judgment that came as Israel gave away the temple mount. That, that judgment and that forty-year season has lifted off Israel and we say praise the Lord for that because the time to favor Zion is now. But there are many things that are tying together in this hour, it has been forty years since the Jesus movement and we praise the Lord for that. But it was also been forty years since Hade/Ashberry in San Francisco when Satan poured out his revival of the sexual revolution, and we are believing that as all these things seem to peak in time in God's season of forty years that there is a blessing and release of power, dominion and authority. And we believe that the favor that God is going to show upon the Jewish people in the nation of Israel is going to affect literally, every nation of the earth. It's going to effect economies, it's going to effect wars, it's going to effect rumors of wars, because the sovereign hand of God, the z'roah that the Lord speaks of in Isaiah. The arm of the Lord is going to move mightily on behalf. Right now as we sit here on this Father's Day, and to you fathers out there listening and getting this email we want to say happy Father's Day or Abba's Day to you and may God bless you. And remember that your children are arrows in your quiver and they are an inheritance from the Lord. And tonight right here in House of David, as we prepare for service, the Lord has given me a special word straight from Heaven about father's day and it has to do with this release, preparing us to get us ready for this outpouring that is not coming later but is coming now and increasing now, and we want you to be a part of it. That is why we want you to subscribe to the DVDs of these services and we are believing God to have House of David services live coming to you and we are looking for that at the first of the year so could you keep us in prayer. And if you have extra seed and you feel like, I would love to spread this around the world sow seeds to House of David. Send it in to our telecast it's our seed machine. It's a way we can bring truth into the darkness. But I want you to be excited about this because the other timeline, I'm not a date setter, but the other timeline that is so burning in my heart

is the centennial, its been a hundred years since the outpouring of Azusa Street. So we have a hundred years of Pentecost, forty years from the Jesus movement, forty years from the Hade/Ashberry which was the counterfeit of the enemy and forty years when sadly, and I am not saying I wouldn't have done the same, I am not judging anyone in the government of Israel in that time, but the temple mount was given away and we know that it teaches in the Bible that when we give away things that God has given us it brings judgment. I'm not declaring it, I'm just bringing the news of God, and I am not even saying that it is so but I do know one thing I am seeing things change in Israel as we speak. There are things changing just today Ehud Barak has been brought in now as the head of the Labor Party and that is going to change the political dynamics in Israel now, and your going to watch some swift change while Gaza is in a civil war between the Fatah and the Hezbollah as they are shooting in the north. All these things are the birth pangs of God's hand getting ready to move on the nation of Israel. But as we close here in the next minute or two, I would like to bring this word to you that I am bring to House of David and I hope it blesses you for Father's Day. He says, "My honorable and noble sons and daughters, He is speaking to you, on this Abba's Day celebrate Me as the Abba of all and all. He says give your hearts tonight and I will purge out the issues of life. Let the Lord even through this email right now purge the issues in your life. Those issues of poverty, sickness, disease, distrust, anger, all the things which we battle that are common to the adamic man, let Him take it now on this email in Jesus Name. Tonight receive your new heart... open your hearts, and I will come in. Speak to Me and I will speak to you. Do you understand child of God, you speak to the Lord and then He speaks to you. Reveal yourself to Me and I will reveal myself to you. This is a procedure that you need to understand that there is a cause and effect. As you act on the Lord, the Lord reacts to you with blessings and goodness, because He is a good God. Here is the key: there must be action on your part to bring reaction from Me. Ask, it will be given. You have not because you are afraid to ask. Brothers and sisters don't be afraid to ask the Lord. In this hour don't be afraid to ask for abundance and great things because He is pouring out. Heaven's resources are at your command. Ask in My Name. Never assume that knowing your need, I will automatically supply. Ask and it shall be given. So tonight, this morning or whenever you read this email ask in Jesus Name. Rest in Me, wait upon Me, come apart with Me, that means come and have a special time in your prayer closet, seek My face, seek My friendship, and know My friendship. Bring your trouble and toils and I will fix them for you, our God is a God that can fix every trouble and disease. I am the good Abba! It is a new day, the third day, a completely new season. It is one of blessing for Believers, and you're a believer that is why you are receiving this email. It says: the dishes, this is like a parable, the dishes are washed and it is time to set the table for a feast! That is why we are celebrating the Seven Feast of the Lord here in the Tent of Meeting. House of David, become the character that your name denotes and host the people of the nations. I will draw the world to you. Remember, you promised to feed My sheep and tend them, it comes out of John 21. The Tent of Meeting is a tent of change for all nations. My Word will circumcise their hearts. Your praise will numb their pain. Our dancing will renew their strength; come dance with Me all you people! Tonight ask and I will supply all your needs; it is for the release from heaven above. Get ready! Love, your Father in Heaven. Father in the Name of Yeshua, I praise you and thank you for everyone getting this email. That You will meet all their needs according to Your riches in glory, through Christ Jesus who gives us strength. Father, pour out every need, every trouble and every toil, give them the solution. I ask for supernatural intervention and I thank you for it in Yeshua's name. If you would like to give a donation we would love to be able to reach the world with these messages. We love you and we thank you. You know our streaming faith and webpage family, you're our mishpacha, is growing it's up to 4000 now and we want to be able to bring the message of covenant restoration of the one new man to every person. So if this has blessed you, forward it to somebody, send them to our webpage and Streaming Faith, spread the word. And remember to pray for the peace of Jerusalem, may they prosper who love you, may they have peace within their palaces. We love you and God bless you. We will talk to you next Friday night and from this Friday night we say Shabbat Shalom.
