

## **Shalom Partners, Mishpocha, Family and Friends,**

We are so blessed to be able to bring this report to you today. This has been the busiest week that Christie and I have had in all of our ministry. It has been so exciting. I'm going to try to condense it down for you and try to do it in about 5 or 6 minutes.

First of all, we go out to Albany, OR to the Elijah List. We're out there on their "Prophetic TV" bringing a word on June 6th, that many of the prophets, such as Bob Jones said that there would be a fullness released on their network on that day. We had no idea what we were walking into. It was a time where intercession and destiny arrives and collides, it was a powerful time. You need to watch that message on Elijah List "Prophetic Television" or you can watch it at House of David on our "Streaming Faith.com" network. We're excited to let you know that one of the things that happened, is that two things happened on June 7, 1967. One of them was that God, Himself, by the sovereign hand of God, re-unified Jerusalem, returning it onto the Jewish people fulfilling prophecy; but at the same time, no judgment on this, but it brought judgment onto the Jewish people and onto the nation of Israel: the temple mount was given away. Also, shortly after that, a blessing, as we know, to the Jew first, then onto the church, the Jesus Movement. The Jesus Movement comes, a powerful move of God, Gentiles and Jews were moved on powerfully and many of the people you know in Messianic Judaism today come from that move of God. But at the same time, a bad thing happened at Haight-Ashbury in San Francisco, in California, my home state the sexual revolution started. This, I believe, both of these, giving away the temple mount and this sexual revolution, brought a curse and I believe that curse has been lifted, Praise God, after this 40 years. We see in the Bible so many times that judgment comes in chunks of 40 years, so what the Lord had me do on that network was to proclaim the time to favor Zion is now. That everything that is attached, like you and I, to Israel is going to be exorbitantly favored and blessed. That by Rosh Hashanah, this September, that the abundance is going to be released; a paradigm shift of wealth, power, authority and dominion, shifting toward Israel; that there would never be another war like this last Lebanon war. All the wars, they'll be interceding from the church and interceding to God, coming down with signs and wonders and power, delivering Israel from its foes. And in addition to that, an outpouring of the Holy Spirit into Israel. First, revival, Jewish people coming to know Yeshua as Messiah, and then shortly after that, revival coming into Iran, Tehran, Iraq, Syria, into Egypt, just as the Bible says in Isaiah, thus pouring out the whole world. The 1040 window was not counting on an intervention from terrorism with an outpouring of the love of God, but child of God, the love of God can overcome all things. All this destruction that is happening in Gaza and the West Bank; we love our Arab brothers and sisters, we love the Persians, and we love all people in Jesus' name. Your revival is coming. You can pray and help us bring this to the world today. We thank you for your support in doing this.

Shortly after that we went up into Seattle, and had two miracle services where Jewish people were saved and healed and also where people who were not Jewish people were being healed, delivered, blessed financially. It was one of the most powerful meetings we ever had in the Pacific Northwest. We go from there down to God's Learning Channel where I have a television program called "Zion's Covenant". You can watch "Zion's Covenant" on StreamingFaith.com as well. We did 13 programs with Don Finto, the former pastor of Belmont Church (Nashville, TN) now president and founder of the Caleb Company. He's the pastor of Amy Grant and Michael W. Smith. He went through that Jesus Movement and an outpouring of the Holy Spirit in the 70's. He also helped pastor many Jewish believers like myself. He's a spiritual father, taking us through all the transitions. He knows how to speak to pastors. He knows how to speak to elders and do Bible studies. He's written two books, "Your People Shall Be My People" and "The Hope and the Future of Israel". He's written these books; we provided them on a special offer that you need to get off our webpage, where you can become educated, because our people perish for lack of knowledge. These programs that we put together, these

13 programs on God's Learning Channel, were absolutely the most anointed, most powerful. Don at 77 years old, I've never seen him more clear, more anointed or more focused on these programs bringing spiritual life to you and I. But it broke through the atmosphere when we went on "The Light of the Southwest". We did 4 hours of live television, releasing this blessing. And what we added to that which we didn't do in Oregon, is that we released the church from the curses of the Council of Elvira in 306 A.D. and the Council of Nicea in 325 A.D. Those curses were when the Council said "we will not let a Jew bless our land or bless our people. We demand that they not circumcise their children, they not keep their feasts and they not keep their Sabbath". When these words came, they were a snare. It was literally a divorce from the Jewish root. These things cut off the blessing. It separated all of us who are in the church from the Genesis 12:3 blessing: "I will bless those who bless you, and I will curse those who curse you". And all the nations of the earth shall be blessed in and through this covenant that God made with Abraham". But child of God, I've got to tell you I'm going to pray at the end of this real quickly, it was restored on God's Learning Channel as it went around the world via satellite all over the earth. Today, this very day, I did one week of programming with Sid Roth on his radio station, "It's Supernatural". We did a whole week that will be aired on July 25th. He's going to have me on his television program later in August. We released this blessing. We restored the marriage contract. Broke and divorced Baal and remarried the God of Abraham, Isaac, and Jacob. We want to be able to do that with you now. But before I do that, I want to ask you to help me. We have a great opportunity here in Tulsa, OK on Channel 47. We can be on Sundays, believe it or not, here in the Bible belt. Sunday mornings from 11:00 to 12:00; one hour has been made available to House of David for only \$586 a show. That would be \$2,537.38 a month. Would you help us to be able to bring this programming like we did with Don Finto. The Men of Israel Today, House of David Live, preaching the message of the One New Man, because, believe me if my brothers and sisters here in the middle of the Bible Belt can get this message on television, 650,000 will have an opportunity to watch this on Sunday morning. We're just \$2,537.38 away. I told them by faith today, we want that time. A Sunday morning in Tulsa has opened up. We're going to take that money and time to buy time on Daystar network. We need your help. But now, I'm going to pray for you. Will you pray about helping us with this air time? Would you send a love gift, small or large, and let's grab this air time and let's preach this gospel of the One New Man that's going to bring authority and power of covenant restoration. Bringing the ancient covenant of Israel and the new covenant of the church together as the one new man; a three bound cord that brings latter rain. Would you pray with me now? Father, in the name of Yeshua, I thank you. We renounce all those Councils of Elvira and Nicea. Lord, we forgive them for making those oaths and those snares. Father, forgive us as the generation. Lord, every generational curse from that is broken off us and our families now. Father, we admit, we were wrong, we should have never spoke those things out. But Father, in the name of Jesus, we declare by Your blood and name, that those snares are broken off our families and our ministries and our businesses as of this day, as of this email, it's off. Father, in Jesus' name, we re-marry ourselves to the covenant of Abraham, Isaac and Jacob. Lord, we release exceedingly abundantly above all prosperity of health and finances. We release the anointing of Joseph that we can be part of the solution and not part of the problem. We seal this work in the name of the Father, and of the Son and of the Holy Spirit. Until next week, thank you for your prayers, thank you for your giving, thank you for watching. Please tell someone to watch this network, forward the email to a friend. We love you. May God bless you as you prosper in your healing, and prosper in the gifts of God. We'll see you next week.
