

Shalom Partners from Nejat TV here in Tulsa, Oklahoma. Nejat TBN, where we are excited, where we are broadcasting the Good News of the Gospel of Yeshua, the Messiah into Iran and into many places in the Middle East. We are seeing phenomenal salvations, healings, signs and wonders, and we are blessed to be here partnering with Pastor Reza Safa and the Nejat TV group, ministering the Word of God into I think one of the most vulnerable place, where we need the Gospel, we need the hope, where we come together--Jews and Persians—together as the One New Man, preaching the Word of God.

But Child of God, I need your help. Right now we have an opportunity. Pastor Reza and TBN is giving House of David an opportunity to have its own 30-minute program, where we want to run House of David live. Live preaching and teaching, singing and dancing in a Davidic way, seeing the joy of the Lord, and the sounds and wonders coming out of the House of David. Would you consider, Partners, helping with this outreach on the television with TBN? And if you do, for any love gift whether it be small or large, I would like a gift of at least \$50, we will send this gift right now. This is the Feasts, the 2006 Feast series with Pastor Tim and I. We'll send this for any gift, small or large. This is a 9-CD set, and you will understand the power and the blessings of keeping the feasts in a spiritual way in your home, in your church, in your synagogue or wherever you gather. This is a gift. We want to be able to sow it into you. On the bottom of the screen you'll see an 800 number there, also if you would just return this internet and say "I'm willing to support!" We need someone to support us at \$100 a month. Maybe you can support \$500 a month. But we want to be able to take this offer from...this generosity... from TBN, and from Pastor Reza here at Nejat to be able to bring the Good News! You know, the Word of the Lord that was spoken to Pastor Reza from a Prophet of the Lord saying: The Lord's going to give you a ministry that's going to be so large that it could stop World War III. Let me tell you, the Good News of Jesus Christ by the Blood of the Lamb, being ministered to on these programs are bringing salvation and hope.

I also want to introduce you to my ministering partner here. Reza, God bless you...and did you ever dream that here you are...a Persian; born again, spirit-filled, beautiful man of God...did you ever believe that you'd be working with a Jewish believer? And could you tell us, what is it like for you and I, when we go onto the program? What does it mean to you and your people?

[Reza] That's actually an honor for me to be on a program with you, and I know that Jesus makes us one in Him. We are a family, through Jesus. And that was impossible before. But, praise God, there is no Jew, there is no Gentile in Jesus. We are all the same, from the same family. Also, if you would like, I will tell you what's happened here, through the phones and through this program.

[Curt] Oh, please tell us and ignore the clock, because these are our Partners, they're excited. They want to know where their seeds are going. They sow good seed into the House of David, and they help us to be here. They want to know what's the fruit...so tell us!

[Reza] Sure. Actually, my job is the mostly hosting the guest, and doing the voice-over for many preachers, and many broadcasters they are sending their tapes to us and we air it. Also sometimes I answer the phone, and we get a report. Everything through the phones...we get about 300-400 phone calls, and 80 of them accept Jesus, many of them get healed, many of them get delivered from alcohol, from drug addiction and from sicknesses. And also they get healed by financial. These are just the people who are calling! And also we have about 70 churches right now, home churches in Iran that became churches through Nejat TV.

[Curt] How many viewers do you...what's the footprint of the viewing audience here at Nejat?

[Reza] Actually, the Nejat goes all over the world right now, everywhere Persian-speaking, all over world in...in Europe, in America, in the Middle East. All over the world, actually, they can get these programs in English and in Farsi both. And about a million people, that what they hear, it came through the Christian TV just the Iranians accepted Jesus through these programs.

[Curt] Praise the Lord! So, if you could imagine that before you were saved, before you knew Jesus as Lord...if you were back in your homeland watching this program...watching one of your brothers with a Jew...seeing a Persian and a Jew together, what would you do just seeing our faces together, operating in the love of God? What would it mean to you to see that witness?

[Reza] For me personally, actually because I had some Jewish friends, and we lived together forever in Iran, I didn't have any problem with them before even. But I know that many people have problems, not maybe with the Jewish people, but maybe with the government, or whatever...with political things, actually. But, anyway, this is really makes me...as Iranian...before I accepted Jesus...being in Iran... is that can we live in peace? And we can see all over the world and political governments... America, here and there, they try to make peace with the Jewish and the Palestinian. It seems impossible almost. Things they do just fail. But with Jesus, the Prince of Peace, this is possible. This is what Jesus does, actually. We are two witnesses that shows that the peace with Jesus between the Jew and Gentile...it's possible!

[Curt] Yes. And I have to tell you, the anointing comes when you and I minister together! The anointing goes through this lens, and it speaks to the Iranian people. And I've fallen in love with the Iranian people, to preach the Gospel. Just sitting in this chair, there's an anointing! Dr. Osborn has been with us, and now Sid Roth is carrying It's Supernatural and Messianic Vision here. We just came from a powerful conference with him where we saw signs and wonders, healings, and we released the anointing of the Third Day. And so we want to bless you, Partners, for giving us an opportunity to go on all these different venues! We're also here on Channel 47 in Tulsa, which we are getting wonderful reviews there. So we thank you for your support, and I want to pray this blessing on you: Father I just pray Lord that You would bless our partners...that the anointing of God would break through in their finances, and in their health, and in their spiritual walk. And Holy Spirit, that You would flow to overflowing. And Father, I bless Nejat TV, I bless Pastor Reza and the staff of TBN, I bless all that allow us to bring this seed of the Word of God and release it to His people. In Yeshua's name, in the mighty name of Jesus.

And so...would you consider a gift, small or large, and we will send you this Feast Series as a love gift saying thank you so much. We want to say to you thank you very much! And as you get this on Sabbath, we say to you Shabbat Shalom! And remember to pray for the peace of Jerusalem! May they prosper who love you. May they have peace within their palaces. And may we say for our bretheren's sake, and for the whole Middle East corridor, the 10-40 window: Shalom! Shalom! Yeshua, the Prince of Peace rest. Let His glory fall! Let the word be preached, and let the miracles come to establish that Jesus is Lord. God bless you, thank you so much! Shalom!
