Just wanted to let you know, I really enjoyed myself in the Lord last Friday night. My friends and I were blessed all the way home to Lawton as we listened your message over and over..

This is truly a blessing to see you on the Internet. I don't always get to be there in person, so I come to see you on the Web. So many times God has used this ministry to touch my life and I just wanted to say, Thank You. What an amazing thing God is doing through this fellowship of believers. Thank you again for your willingness and obedience to be used for the Kingdom of God in earth.

Thank you, and may our heavenly Father continue to bless you more and more with each passing day.

Joyful to be back worshipping with you tonight. Blessings from our region to yours. We have been busy interceding and preparing our hearts during Advent for a heart filled with worship for Emmanuel... now and forever. My focus has been on Wonderful Counselor... He surely is!!!!

Thank you for making it possible for us to watch on line.

Tonight was my very first time attending House of David online. It was an awesome service! For the first time, I released resentments from my father. How he hurt me, and took from me in the past. I forgave him tonight, and received healing from Jesus, when all resentments were released from my soul. Thank you for the powerful message I received tonight. God Bless you, and your ministry in Jesus name.

May the LORD multiply your blessings.

I thank you so much for making this program available to me. God bless you and keep you.

I want to thank you for making this available for me! I was blessed to receive such a rich understanding of what the Passover plate means for me... you've poured such wisdom into my life and I am so grateful. I appreciated all the teaching and the praise and worship. It was simple and yet so profound!!! Thank you! And too, may the Lord continue to bless you and your ministry.

This is absolutely AWESOME!!!!!! Thank you Rabbi! Don't be afraid of going too deep. I know I turn to House of David looking for answers to my deep questions. Blessings!

Praise God. We love this ministry. Praise and Worship was wonderful tonight.

This is my first time to view the service online. I have been coming to the services the last couple of weeks with my daughter from Mississippi and her children. I enjoyed the services so much that I didn't want to miss tonight's service. My daughter made it home safely tonight and is now watching the service there in her home in Mississippi. Praise God for His presence in tonight's service. Thank You,

Yes am watching now. I like your worship. You truly bless my heart.
